Growth & Need for Action

IPv4 Peering LAN: 206.130.10.0/24 → 256 IPs

Heads-up

New IPv4 Peering LAN (/22 -> 1024 IPs) already assigned

Grace Period: 28th January 2019 - 30th January 2019

- Both IPv4 spaces will work
- Only 1 Route Server (rs2) in the old IP space will be reachable
 - 2 Route Servers in the new IP space
- Customers are asked to change configs to use the new IP space
- On 30th January: Old IPv4 space will be blocked

Be aware, plan ahead, do the change
